FAQs

1. **Why is it important to document guaranteed applied learning and research experiences at Wichita State University?**

Answer: Wichita State University is internationally recognized as the model for applied learning and research. We guarantee an applied learning or research experience for every student by each academic program.

This is a key component of our strategic plan. We are committed to providing a high-quality education for all students, and this includes ensuring that every student has a meaningful applied learning or research experience.

2. **How was the proposal for the applied learning and research implementation process developed?**

In 2015, the Strategic Planning Committee, the Applied Learning and Research Committee, and the Faculty Senate worked together to develop this proposal. We conducted extensive research and consulted with various stakeholders to ensure that the proposal was comprehensive and aligned with our institutional goals.

3. **Who will track the information through Degree Works?**

Our Registrar's Office will be responsible for tracking the information through Degree Works. We will provide regular reports to the Faculty Senate and the Applied Learning and Research Committee to ensure transparency and accountability.

4. **Who is going to determine if a project is occupationally focused work?**

The Applied Learning and Research Committee will be responsible for determining if a project is occupationally focused work. We will establish clear criteria and guidelines to ensure that all projects meet the required standards.
